

FIRST TIME EXHIBITORS SEVEN SPRINGS VINEYARDS MAKE THEIR DEBUT AT PROWEIN

First time exhibitors Seven Springs Vineyards is an up and coming boutique South African wine producer making their debut at Prowein 2017.

Wishing to branch into new export markets, owners Tim and Vaughan Pearson will be presenting their range of five international award winning wines.

“Stylistically our cool climate, elegant wine express the classical old world varietal characteristics, with new world fruit influence” says young winemaker Riana van der Merwe. “Both in the vineyard and the winery we apply only minimal intervention, allowing the fruit to truly express the quality that the Hemel en Aarde valley road is known for”

The vineyards were planted just ten years ago and already each of the wines, Sauvignon Blanc, Chardonnay (unoaked and oaked), Pinot Noir and Syrah have received top international awards, including a Decanter World Wine Awards Gold Medal.

Come to the Wines of South Africa stand, **Hall 9B Booth 32** to taste through the range
