

Wines of South Africa **SHOW INFORMATION**

PLEASE NOTE THAT THIS INFORMATION IS INTENDED ONLY FOR WOSA MEMBERS AND MAY NOT BE DISTRIBUTED OR PUBLISHED.

12 October 2026

Dear Wine Paris 2027 Exhibitor,

As we finalise preparations for Wine Paris 2027, please take note of the following **final submission deadlines**, some of which have been extended due to a low number of completed profiles. Your action is required to ensure your brand is fully and correctly represented at the exhibition.

Thursday, 15 October 2026 | My Wines - Wine Information & Producer Logos

- Complete or update your wine entries on the My Wines portal.
- Submit your producer logo for your 1m counter, where applicable.

Thursday, 29 October 2026 | Stand Name Confirmation

- Confirm the exact company or brand name you would like displayed on your stand.

Please note that 15 October is the final extension for wine information and logo submissions. Wines submitted after this date cannot be included in the Wine Paris 2027 catalogue. If your logo is not received by the deadline, we will use a previously submitted version, which may not be your latest logo. If no stand name is provided by 29 October, we will use the producer name listed on the WoSA Member Portal.

Please review the instructions below and complete any outstanding actions by

the relevant deadline. If you have already submitted your wine information and logo, you do not need to resubmit them. However, you must still confirm your preferred stand name by 29 October.

MYWINES PORTAL – CATALOGUE WINE ENTRIES

Deadline: 15 October

To ensure your wines are included in the Wine Paris 2027 catalogue, please complete or update your wine entries on the WoSA Member Portal by the deadline.

Your company already has a Member Profile on the portal. If you have uploaded wines previously, these may already appear under the **My Wines** section of your profile. Once added, your wine information can also be used for future WoSA shows and events, so you won't need to enter the same information again.

How to access My Wines:

1. Log in to the WoSA [Member Portal](#).
2. Click on **Member Portal**.
3. From the dashboard, select **Wine Paris 2027 Catalogue Wine Entry – View Details/Book**.
4. Complete the online form and select your wines from the **My Wines** dropdown.
5. If you have not yet uploaded your wines, select **Update My Wines** at the top of the screen.
6. Add, edit or update your wine information as required.
7. Click **Add Wine** for each wine you wish to include in the catalogue.
8. Once complete, click **Update Wine** to save the information to your profile.

Please note:

- We ask that you include a packshot and “Producer Information” for every entry so that your wine information displays in the best way possible for the catalogue.
- 1sqm counter producers may upload up to 12 wines. (For sharing producers, 6 wines each).
- 6sqm booths may upload up to 24 wines.
- **Wines not uploaded by Thursday, 15 October 2026 cannot be included in the Wine Paris 2027 catalogue.**
